Group Piano Classes and Piano Lessons

MUSIC EDUCATION for schools ---- Group Piano Lessons

Our education program gives students ages 3-11 yrs a chance to learn piano in a small group, upbeat, environment. We are energetic, cheerful, bubbly, and loud. Our classes use *Beethoven Bear* and *Mozart the Mouse* to teach classical musical concepts. Each class is a magical, musical, journey where students learn to read music and are introduced to beginning and intermediate music theory.

MUSIC Dance.edu is a nonprofit organization which uses the performing arts to engage residents from New England. MUSIC Dance.edu operates two education programs: The Children's Performance Group and the Music education program for elementary schools. MUSIC Dance.edu is committed to providing a challenging curriculum which inspires academic and artistic excellence. We teach a culturally diverse population to not only perform on stage, but more importantly to perform better in life.
