

Wednesday Notes August 28, 2019

Dear OLM families,

What a fabulous first day! It was such a joy to see all of our students gathering and preparing for a year spent growing in sanctity and scholarship.

You can expect an email like this from me every Wednesday, and it will include a brief summary of communication to look for from the school, along with important upcoming dates. The Wednesday envelope will continue to go home with the youngest child in each family, and it will contain any paper communication that families need to see. I will reference all papers included in the Wednesday envelope in this email. You will notice that we did not send home the envelope today because **the only item that we needed you to receive was the order form for our picture day next Thursday, September 5 (and it didn't really fit in the envelope!). We do ask that you be sure to return that order form along with any matching payment by next Thursday.** Your child can submit it to his or her homeroom teacher. Please see below for a few important dates over the next month.

Thank you for everything that you have done and will continue to do to prepare your children for an outstanding school year. May God bless you now and always.

For Christ and Our Kids,

Patrick McNabb
Principal
