Our **Refund Guarantee Protection** plan (RGP) offers a full refund for any cancellation reason 48 hours before trip departure. Plus, the trip price won't go up for everyone else. That's peace of mind for you and your community.

## Here's how it works:

- The RGP must be purchased at the same time as your initial deposit.
- If you need to cancel your trip, send us a note explaining why and we'll reimburse you within 10 business days.
- 100% of trip price is reimbursed if dropping out at least 48 hours before trip start date.
- 50% of trip price is reimbursed if dropping out within 48 hours of trip start date (100% with a doctor's note).
- No refund if dropping out after trip start date.
- Cost of RGP is not reimbursed.

Trip Cost	RGP Cost
\$251 - \$400	\$40
\$401 - \$600	\$60
\$601 - \$800	\$80
\$801 - \$1,000	\$100

Airfare is not reimbursed if cancelling less than 45 days before departure. An additional fee of \$75 is required for this coverage.

RGP is not an insurance product. If you wish to purchase insurance for your trip, such as Medical and/or Trip Cancellation/Interruption, please contact us.
