

Wednesday Notes January 2, 2020

Dear OLM Families,

Happy new year! It's not Wednesday, but I thought it would be a good idea to get a few messages out to help us get back into the swing of school. Please note that there is no Wednesday envelope this week. We will resume our regular communication routine next week.

With that, we are diving headfirst back into things with **First Friday Mass tomorrow, January 3**, hosted by our third graders. **Please remember that formal uniforms are required for all students.** Students who have PE may bring sneakers to change into for PE class; they should, however, wear their regular uniform shoes to school. As always, we welcome the families of our students to attend Mass with us. Nothing strengthens our community like coming together around the Eucharist, so if your schedule allows, we would love to have you join us.

Looking ahead, our **science fair** is two weeks from today: January 16. **We are still looking for judges!** If you are willing and able to judge this year's science fair projects, please contact Dr. Husak at dhusak@olmschool.org. We are especially looking for those with a background or strong interest in the sciences, although that is not a requirement. Parents of competitors in the fair are not eligible to judge the competition but are welcome to come the day of the science fair and see their children's work! Our middle school students have been hard at work in preparing for their science fair under Dr. Husak's leadership, and we are looking forward to seeing the fruits of their labor.

And we have one exciting opportunity for tomorrow only! **We have 100 tickets left for the URI basketball game** this Sunday at the Ryan Center at 12pm, where **our grades 4-6 girls basketball team will be playing on the court at halftime!** The tickets are \$20 each. If you would like to purchase tickets, please send payment to the main office by tomorrow morning and indicate how many tickets you would like to purchase. If paying by check, please make it payable to OLM. For specific questions about this opportunity, please contact Beth Brugnoli at dbbl35@yahoo.com

We wish all of our students, families, faculty, staff, and supporters a very happy, healthy, and holy 2020. May God bless you now and always.

For Christ and Our Kids,

Patrick McNabb

Principal
