## OPERATION GRATITUDE

OLM is collecting left-over Halloween candy for Operation Gratitude (OG), which is an organization that collects left-over Halloween candy and donates it to deployed troops, local military units, veterans, and first responders.

OG accepts individually wrapped candy. Powdered candy, unwrapped candy, and homemade items will not be accepted. We will have a collection bin at the candy trading table at ToT. Additionally, on Monday and Tuesday, drop-off bins will be located at all drop-off entrances. Have your child drop unwanted candy in the bins on their way into school!

## COLORTHON

Our Colorthon event was a huge success! The OLM community raised more than \$28K for our school. Students had a blast on their walk and were cheered on along the route with color blasts. Congratulations to all of our Colorthon winners and participants!

Thank you to all OLM families for your contributions, to the OLM teachers and staff for your assistance, and to Kristen Martin, Tarah Provencal, and Allie Bouley for the time and energy you put into this special event.

Finally, a huge thank you to our Colorthon sponsor, Ocean State Signal!
