PTG President's Message

Get ready for "A Night in Paris" at this weekend's Father-Daughter Dance! See below for details.

Also, **Spring Fling** season has launched! Check out details below, including info on event tickets, raffle tickets, and Stars for Students.

Father-Daughter Dance

The big event is almost here! Here's what to expect for the night:

- There will be assigned seating. Visit the registration table on your way in!
- Although attire is dressy, we encourage girls to wear warm coats and consider leggings or heavy tights under their dresses. The space we're using has an attached outdoor patio outfitted with heat lamps and a fire pit. This area is adjacent to the indoor dance floor and DJ station.
- The dads and girls have spoken and we have listened! There will be no formal Lifetouch pictures taken, which means no long line to wait in.
- Several volunteers will act as the event's "paparazzi." There will be many photo opportunities and all pictures will be housed in a shared folder and distributed after the event for your viewing and printing pleasure.
