

# Saints & Scholars Open

## Amendments to the Schedule

---

### Part Two of our Rainy Day Golf Journal:

- Lunch, cocktails, and cigars are still available for all our registered golfers!
- The auction is very much still on.
- We will have card games available in the dining room for everyone's enjoyment.
- The condition of the course has gotten to a point where it does not make sense to play today. However, all our registered golfers will be able to pick up a certificate for a free foursome to be played at Quidnessett Country Club on a future date.

**So lunch still begins at 11:30 am!**

**We hope to see you there!**
